1ST JULY, 2024

THE EXECUTIVE SECRETARY

URBAN DEVELOPMENT BOARD

DUTSE, JIGAWA STATE.

Dear Sir,

02/7/24
AF

NOTIFICATION TO CARRY OUT SOME CIVIL WORK SUCH AS REPLACEMENT OF DAMAGED FIBRE OPTIC CABLE OF MTN NIGERIA

We, HASSAN STANDARD VISION LTD. A company contracted for maintaining strong and reliable MTN Nigeria Limited network in some major sections across Jigawa state wish to inform you that due to the damages on existing telecoms cables along some major highways as a result of multiple factors, which includes; Construction and rehabilitation of roads, farming activities, human sabotage among others, there is need to restore the damage infrastructure on the affected areas and for this reason, we are delighted to officially inform you of some civil activities aiming to restore fiber back to its functional status.

SN	Segment	Chainage	Span/Distance	Nearby Village/ Settlement
1	Ganji Gebi - Danzomo	30km - 3.8km	0.8km	TAURA VILLAGE
2	Hadejia - Nguru	37km - 38.5km	1.5km	KRIKASAMA VILLAGE
3	Hadejia - Danzomo	46km - 47.6km	1.6km	BUJIRU VILLAGE
4	Hadejia - Danzomo	54km - 55.35km	1.35km	YALO VILLAGE

We hereby irrevocably and unconditionally undertake that we shall restore back to its original state whatever changes this repair work caused, back properly and professionally after laying the optic fiber cables.

Furthermore, we shall keep the roads safe for all users ensuring no impediment and guarantee you of proper reinstatement and abide by security, health and safety policies/procedures in performing our task.

We hereby anticipate for your support to enable our company repair the damage done and improve the network availability for the public interest.

Thanking you for your support in view.

Yours faithfully,

Bayo Ombishi

**DEMAND NOTICE ON THE APPLICATION FOR THE MAINTENANCE OF EXISTING FIBRE
CABLES ALONG SELECTED ROUTE IN JIGAWA STATE**

Reference to your application dated 1ST July, 2024 requesting for permission to maintain existing fiber cables as follows.

SN	Segment	Chainage(km)	Distance(m)	Nearby Village/Settlement
01	Ganji Gebe - Danzomo	30km – 30.8km	800m	Taura Town
02	Hadejia - Nguru	37km – 38.5km	1,500m	Kirikasamma Town
03	Hadejia - Danzomo	46km – 47.6km	1,600m	Bujiru Village
04	Hadejia - Danzomo	54km – 55.35km	1,350m	Yalo Village

Total = 5,250m

Going for the above, you requested to come and settle the Sum of Seven Hundred and sixty One Thousand Two Hundred and fifty Naira (N761,250) only for 5,250 meters distance coverage. The rate is at N145 per linear meter i.e. $5,250m \times N145 = N761,250$ as Government Approval Fee.

The mode of payment shall be as follows:-

Account Name: Jigawa State Government Revenue Account

Account Number: 1011289787

Bank Name: Zenith Bank Plc

However, should your company decide to raise a Manager's Cheque, it should be in favor of Jigawa State Urban Development Board.

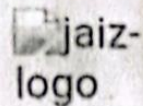

Best Regards,

Garba Jibrin

Ag. Director Development Control

**RE - NOTIFICATION TO CARRY OUT SOME CIVIL WORK SUCH AS
REPLACEMENT OF DAMAGE OPTIC FIBRE CABLES FOR MTN NIGERIA**

Reference to your application dated 1st July, 2024 requesting for permission to carry out some maintenance work on existing fiber cables on different routes as follows.

SN	Segment	Chainage(km)	Distance (m)	Nearby Village/Settlement
01	Ganji gebe - Danzomo	30km - 30.8km	800m	Taura Town
02	Hadejia - Nguru	37km - 38.5km	1,500m	Kirikasamma Town
03	Hadejia - Danzomo	46km - 47.6km	1,600m	Bujiru Village
04	Hadejia - Danzomo	54km - 55.35km	1,350m	Yalo Village

I am directed to write and convey the Board's **approval** of 5,250 linear meters under the following conditions:

1. That you are responsible for all relevant documentation with appropriate regulatory authorities.
2. That you properly registered to operate business in the state in particular and National in general.
3. Must provide Environmental Impact Assessment (EIA) & Environmental Impact Report (EIR) on the proposed project as case may be.

4. No existing or proposed access road shall be impeded or threatened by your project.

That your company is responsible for restoring the excavated routes and reaffixing any infrastructure that may be damaged in the course of the project.

5. You ensure that Environmental Health and Safety of all neighbouring uses are protected as provided by appropriate Local, State and Federal Legislators, among others.

6. That the Urban Development Board shall monitor compliance during and after the project execution to guard against any violation.

7. That you settle all relevant permits and logistical charges pursuant to the project approval.

8. The Board should be notified of the date of commencement of the project.

9. The approval is subjected to review every five years or as circumstance may determine.

10. Any violation of the above conditions is liable to render the approval null and void.

Best Regard

Garba Jibrin
